Hi Isavena

Please see below. Your first day with us is the same day as our corporate induction day which happens about four times a year. See below for details and if you are interested in attending this (you would be more than welcome) I can make arrangements. You will find out a lot about the Library and see some of the departments on the tours (not digitisation though but you are seeing that later) hear a talk from the Chief Executive and meet some staff and other people working for the Library.

Would you like to do this on your first day? I know we had another visit pencilled in but they have not responded to my confirmation yet so I am a little worried they might cancel?
